ABOUT US

With the idea to Make Smooth, Quick and Effective Procurements for Corporates & Organisation we at the team of TROLLIUS e-Office have initiated dedicated division to fulfil all Office related needs

Trollius e-Office is set to transform the ways, office supplies and needs are looked upon and processes. The dependency of Office supplies for various offices is well understood by us.

Our entire process encircles around understanding Client's requirements, their cost parameters & smooth operational flow and executing it by our in-depth analysis, experience, and quality selection and execution programs.

We have divided our product range in four categories as follows:

- 1) Office Stationaries
- 2) House Keeping Materials
- 3) Pantry Materials
- 4) Technology Products

Please explore product in following pages.
